QUESTION

Size of tattoo?

Color of tattoo?

Where is the tattoo located?

How long have you had it?

Was the tattoo performed by a professional?

Why are you interested in removal?

Skin tone?

Had previous consultation visit?

ANSWER

2 x 5 inches

purple

inner forearm

5+ Years ago

Professional - Tattoo Parlor

I no longer believe in its meaning. I got it prematurely at a vulnerable stage in my life.

Light

No

Disclaimer: Consultation visits are required for the most accurate pricing and sessions. DermBids has provided you estimates based upon information you provided us. Feedback on estimates was provided by each service provider. Your body could react adversely to lasers. DermBids takes no responsibility for adverse effects caused by laser, laser technician and/or manufacturer. DermBids does not independently verify technician is laser certified.
